**\*Grace After Meals** | by Hanna Tiferet Siegel

*When you've eaten, and are satisfied,  
Then you should bless with love.*

We ate when we were hungry  
and now we're satisfied  
We thank the source of blessing  
for all that S/He provides.

Hunger is a yearning  
in body and in soul  
Earth, air, fire, water,  
and spirit makes us whole.

Giving and receiving  
we open up our hands  
From seedtime through harvest,  
we're partners with the land.

We share in a vision  
of wholeness and release  
Where every child is nourished  
and we all live in peace.
